

WEST VIRGINIA DIVISION OF BANKING

CONTINUING EDUCATION FOR LICENSED MORTGAGE LOAN ORIGINATORS

Pursuant to West Virginia Code §31-17A-9, every licensed mortgage loan originator must complete **8** continuing education hours annually to remain licensed. Sponsoring brokers are responsible for reporting the appropriate education and insuring that loan originators remain compliant.

The following courses are approved through December 31, 2009. This list will be updated as courses are added. The courses may be completed in either a classroom or online environment.

Questions relating to the specific courses should be directed to the course provider.
